**Notice-and-access**

As permitted by Canadian securities regulators and pursuant to an exemption from the proxy solicitation requirement received from the Office of the Superintendent of Financial Institutions, we are using notice-and-access to deliver our management proxy circular (circular) for our annual meeting to both registered and non-registered (beneficial) shareholders. We are also using notice-and-access to deliver our annual report to our non-registered (beneficial) shareholders. This means that the circular and annual report (meeting materials) are being posted online for you to access, rather than being mailed out. This notice includes information on how to access the meeting materials online and how to request a paper copy. Notice-and-access helps reduce printing and postage costs and contributes to the protection of the environment by reducing paper and energy use.

You will find enclosed with this notice, a form of proxy or a voting instruction form that you can use to vote your shares (see "Voting" below).
