Section 2: Earning Aeroplan points

2.1 How do you earn Aeroplan points when you use your TD Credit Card?

The Account linked with the Program must be open and in Good Standing to earn Aeroplan points under these Aeroplan Terms and Conditions for your TD Credit Card.

- If you cannot make a Purchase because the Account is not in Good Standing and we have restricted the Account's ability to make Transactions, you cannot earn Aeroplan points by using the Account.

- Please see your Cardholder Agreement to learn more about when the Account will not be considered in Good Standing and what can happen if the Account is not in Good Standing.

You can only earn Aeroplan points on the **net** Purchases charged and posted to the Account. This means that credits for refunds, returned items and other similar credits for Purchases will reduce or cancel the Aeroplan points earned.

You do not earn Aeroplan points on the following:

- Cash Advances (including Balance Transfers, Cash-like Transactions, and TD Visa Cheques);
- Interest charges;
- Fees;
- Adjustments;
- Refunds; and/or
- Rebates or other similar Account credits.

You may earn Aeroplan points in only one of the Purchase Categories set out in the below chart when you make a qualifying Purchase and your Account is in Good Standing. The number of Aeroplan points that you can earn will depend on the type of TD Credit Card you have.

We will round your qualifying Purchases posted to the Account up or down to the nearest whole dollar and then apply the Aeroplan points earned for this Purchase.

2.2 How we determine if a Purchase qualifies for the Bonus Rate?

We use Merchant Category Codes to determine if a Purchase qualifies for the Bonus Rates.

Merchant Category Code means the merchant category code that the Visa payment network uses for a merchant to classify its goods and services, which may be changed from time to time by Visa.

Only Purchases using the following Merchant Category Codes will qualify for the Bonus Rate:

- Air Canada Products made directly with Air Canada: **3009**
- Gas Purchases: **5541** and **5542**
- Grocery Purchases: **5411** and **5499**

For the TD® Aeroplan® Visa Infinite Privilege* Card:

- Travel Purchases: **3000 to 3008, 3010 to 3999, 4111, 4112, 4121, 4131, 4411, 4511, 4722, 7011, 7012** and **7512**
- Dining Purchases: **5812, 5813** and **5814**

We do not monitor to determine whether merchants correctly identify and bill Transactions according to a Merchant Category Code. However, we do reserve the right to determine whether a Purchase would qualify for a Purchase Category.

Air Canada Products means only those Air Canada Purchases made directly with Air Canada for products and services completed online at aircanada.com, in-person at Air Canada customer service counter at the airport or aboard an Air Canada flight and Air Canada Vacations packages. Air Canada must be identified as the merchant for the Air Canada Product and only those Air Canada Products made directly with Air Canada with the above noted Merchant Category Codes **and** Air Canada listed as the merchant will earn the Bonus Rate.

Here are some examples where a Purchase **does not** qualify for the Air Canada Product Bonus Rate (unless your Purchase qualifies for the Bonus Rate as an eligible Travel Purchase with the TD® Aeroplan® Visa Infinite Privilege* Card):

- If the Purchase of Air Canada Products is not made directly with Air Canada, such as if you make a Purchase through a third-party or non-direct travel agent, this Purchase will earn the Base Earn Rate.
- If you make a Purchase for non-Air Canada products from aircanada.com, such as a car rental, a hotel booking, or any other product or services from a third-party partner, and this Purchase does not use Air Canada as the merchant for this Purchase, you will earn the Base Earn Rate.

Gas Purchases means buying gas or gas station services or products from a merchant classified through the Visa payment network using the above noted Merchant Category Code for Gas Purchases.

Grocery Purchases means buying groceries or grocery items from a merchant classified through the Visa payment network using the above noted Merchant Category Code for Grocery Purchases.

Please contact us using the contact details in Section **6 How to Contact Us**, if you want to confirm whether a Purchase charged to the Account qualifies for a Purchase Category. If a Purchase qualifies for more than one Purchase Category, you will only earn Aeroplan points in one of those Purchase Categories. We reserve the right to determine which Earn Rate your qualifying Purchase will earn.

2.3 Can you receive Offers?

Occasionally, we may offer you limited time offers which may include:

- Additional Purchase Categories;
- Additional and/or increased earn rates for a Purchase Category;
- Benefits with select merchants; and/or
- Bonus Aeroplan points.

Additional terms and conditions will apply to such offers and such terms and conditions will be available to you at the time the offer is made.

2.4 How do the Aeroplan points I earn using my TD Credit Card get awarded to my Aeroplan Account?

The Account must be open, active and in Good Standing for Aeroplan points, earned under these Aeroplan Terms and Conditions for your TD Credit Card, to be awarded to the Aeroplan Member Account at the end of the Account's statement period. This includes any Aeroplan points earned by any Additional Cardholder.

Section 3: Redeeming Aeroplan points

3.1 How do you redeem Aeroplan points?

Aeroplan points must be redeemed through the Aeroplan Program. The Aeroplan Program general terms and conditions are established by Aeroplan and they will apply to your Aeroplan points. This includes information about how you can redeem your Aeroplan points. You cannot redeem Aeroplan points earned for Purchases that have not yet been posted to the Account and not yet awarded the Aeroplan Member Account.

Section 4: General Terms

4.1 How can you check your Aeroplan points you have earned on your TD Credit Card?

We will show you the number of Aeroplan points you have earned with your TD Credit Card in a particular statement period on the Account's monthly statement. Once the Aeroplan points are awarded to the Aeroplan Member Account, you can check your Aeroplan points balance directly with Aeroplan.

If you do not contact us about errors within **30** days from the statement date, we will consider the Aeroplan points balance and our Records to be correct (except for any amount that we credited to the Account in error). If we confirm an error, or if we accidentally credit

Aeroplan points to your Aeroplan points balance, we may adjust the Aeroplan points balance at any time without notifying you.
